To Whom It May Concern,

We are the largest Golf distributor of Canadian Golf in Southeast Florida. We currently book over 250,000 golf rounds a year. I have been the CEO of Canam Golf for 25 years. We have been informed that Madison Green Country Club is proposing to add a SpringHill Suites by Marriott Golf Lodge to the property. The addition of this lodge would allow us to offer golf packages thus enabling us to add several thousand rounds of golf to Madison Green throughout the year. The lack of hotels in the area has made it difficult for us to book out of town golfers needing a place to stay.

Sincerely,
